Sister Jenny JEN-TIL Creams are "Nature at its Best"

Developed by Sister Jenny to improve the quality of life for people with pain or disability and to improve the comfort of the skin, especially in diabetics and people suffering from eczema and wounds that won't heal, and people with very dry skin, these complimentary and cosmetic creams possess unique features created to soothe and encourage the body to heal naturally. Sister Jenny creams are extremely efficient and effective, and they are used and loved by thousands of people around the world.

PRODUCTS

Sister Jenny Multi-Purpose Cream

SELLING PRICE: R250.00

Sister Jenny Multi-Purpose Cream softens and improves elasticity, and rapid hydrates and improves texture of the skin in minutes. It has been proved through consumer use for 23 years to repair and regenerate damaged skin, especially sun damage like solar keratosis, bedsores, burns, wounds and skin problems related to HIV and Aids, as well as diabetes.

Natural processing using plant extracts may help to naturally soothe the skin. Sister Jenny Multi-Purpose Cream has the unusual characteristic of moisturising the skin in minutes, thus hydrating and improving the texture of dry and frail skin almost immediately. It may encourage repairing and natural healing of burns, wounds, HIV sores and bedsores and soothing of eczema, itchy skin, cracked heels, sore feet, mosquito bites, sunburn, circulation, chilblains, and bruises.

Ingredients Include:

Peppermint oil, Tea Tree oil, Chamomile oil, Calendula extract, Sunflower oil, Coconut oil, Jojoba oil and Urea. NO ANIMAL PRODUCTS

Sister Jenny Joints & Massage Cream

SELLING PRICE: R250.00

Sister Jenny Joints and Muscle Cream is unique because it has been proved by consumer use over 20 years to improve mobility of muscles and joints and has assisted many people who find it difficult to walk e.g. after a stroke.

Natural processing using plant extracts may help to naturally soothe, ease and care for inflamed joints, sports injuries, tennis elbow, muscle spasm, muscle stiffness, back ache, leg cramps, burning feet, restless legs, fibromyalgia and/or flu symptoms.

Ingredients Include:

Cinnamon oil, Eucalyptus oil, Peppermint oil, Clove oil, Arnica extract, MSM

NO ANIMAL PRODUCTS

Sister Jenny Baby Cream

SELLING PRICE: R250.00

Sister Jenny Baby Cream is unique because it has proved very effective for skin disorders in babies. It is a softening and can be used as a moisturising cream by anyone. It has also been seen to make a noticeable difference to appearance of stretch marks.

Natural processing using plant extracts may help to soothe and moisturize and calm sensitive skin and is especially suitable for baby's skin, children, and pregnant women. Anyone suffering from eczema, irritated skin, stretch marks, cracked nipples, cradle cap, nappy rash, psoriasis may also benefit.

Ingredients Include:

Lavender oil, Chamomile oil, Sunflower oil, Calendula extract, Jojoba oil
NO ANIMAL PRODUCTS

Sister Jenny Face Cream: Radiant Beauty in a Jar™

Clinically Tested: Sister Jenny Face Cream Radiant Beauty in a Jar™ assists with the skin's natural conditioning and ability to absorb moisture. It cares and nurtures dry and dull or delicate skin, can also be used on the body for dry skin. It improves the appearance of lines under the eyes in mature skin. Safe for use under the eyes. Gentle, fast acting but temporary improvement on the day of use with accumulative effect if applied 2 x day. This product does NOT use Botox or any harsh ingredients to obtain temporary improvement to appearance in minutes. Internationally recognised as a unique innovation.

SELLING PRICE R350.00 per 50ml jar
